**WHAT YOU CAN DO**

Our goal is to fundraise a total of \$40,000 to pay for 100,000 meals, products and shipping expenses. We are also looking for event sponsors who will have several opportunities to showcase your company/business to 700 of attendees and in return, contribute to an even greater cause!

**WHY**

After the devastating earthquake in early September, Morocco is now facing the significant challenges of rebuilding more than 2,900 villages and helping the 2.8 million people affected by the destruction. Our mission is to give a helping hand together with the Convoy of Hope to help families who lost their homes and livelihoods in the quake. Convoy procured thousands of relief kits that will ensure survivors' basic needs are met, such as meals, clean water, hygiene products, and school supplies. Currently, Convoy has served more than 36,000 people in 14 different communities in the disaster zone. Your donation will not only feed hungry people, but it will also help those packaging the meals do something constructive to fight hunger and build relationships among those participating. We hope you will consider joining us at our event.
